

DESERT FARMER

VOL. 5; NO. XXXVIII.

SALT LAKE CITY, UTAH

APRIL 24, 1909

Buy tested Seeds-they grow

We are the only seedsmen in Utah who make soil tests of seeds. We take every precaution to see that only good seeds are sold. We specialize on tested seeds and ask for your business on that basis.

We have everything for the Lawn, Garden or Farm, Plants, Bulbs, Shrubs, Flowers—in fact anything you may need in this line. Write us to-day.

Mandy Lee

Incubators

have proven themselves to be perfectly reliable. There's no guess work about them. They do bring satisfactory results.

OUR TRIAL GROUNDS AT CENTERVILLE, UTAH

OUR SEEDS ARE CAREFULLY TESTED BEFORE WE SELL THEM

Write to day for our big 1909 Catalogue—It's free

Contains much information of value to the farmer.
